

We are shutting down REV service in the listed areas.

Cable Bahamas will discontinue REV and upgrade the network to ALIVFibr in the following areas by March 31st:

- Boatswain Hill
- Carmichael Rd. West
- Coral Harbour
- Cowpen Rd.
- Dignity Subdivision
- Emerald Gardens
- Faith Gardens
- Flamingo Gardens
- Lou Adderley East
- Marshall Rd.
- Misty Gardens
- Pastel Gardens
- Venice Bay

This transition from our old HFC network to new fibre technology will provide faster, improved and more reliable services. As part of this transition, the network will be shut down in the listed areas by March 31st, 2025. If you are residents of these listed areas and are still on the REV network, we ask you to switch to ALIVFibr immediately to avoid loss of service.
